UNITED STATES NAVAL ACADEMY, Annapolis, Maryland Honorable Discharge
Navy Expert Pistol Shot Medal recipient; Varsity football team member

EXPERIENCE:

CRAWFORD, OWEN & HINES, P. A., St. Petersburg, Florida Attorney: 2008 – 2012
Worked entirely on Progress Energy Florida's eminent domain, inverse condemnation and real estate litigation matters involving electric transmission and distribution powerlines and substations throughout Florida.

BRICKLEMYER SMOLKER & BOLVES, P. A., Tampa, Florida Attorney: 2000 – 2008
Worked extensively with Florida Gas Transmission Company's design, right-of-way and operations personnel on hundreds of eminent domain and inverse condemnation matters involving over \$600 million and 200 miles of distinct, interstate natural gas transmission pipeline projects throughout Florida. Litigated several declaratory and injunctive suits to enforce easement rights and multiple pipeline option agreements, and to obtain access to properties for required surveying and environmental analysis.

HILLSBOROUGH COUNTY ATTORNEY'S OFFICE, Tampa, Florida Attorney: 1994 – 2000
Worked with staffs of Public Works, Planning and Growth Management, and Real Estate Departments on eminent domain matters to acquire hundreds of parcels for road and drainage improvement projects.

CARLTON FIELDS, P. A., Tampa, Florida Attorney: 1988 – 1993
Worked in Real Estate and Commercial Litigation Departments.
