

January Dinner Meeting Flyer

Calendar Year: 2016 - 2017

Third Dinner Meeting

"ADAPT TODAY TO SHAPE TOMORROW"

Chapter visit from **Society President Tim Wentz, PE, HBDP, President/Fellow ASHRAE**

Meeting Summary:

We welcome you to attend the January Dinner Meeting for a special visit from Society President Tim Wentz, PE, HBDP, President/Fellow ASHRAE. "Our ability to shape tomorrow is borne out of our willingness to adapt today. That fundamental truth is the driving force behind the ASHRAE 2016-2017 theme "Adapt Today to Shape Tomorrow."" ASHRAE President Tim Wentz will deliver his Presidential Address to our Florida West Coast Chapter. Please join us to start 2017 with ASHRAE, as Tim Wentz may tell you..."When you go to an ASHRAE meeting you will find the building owners we serve, the engineers we work for, the suppliers we buy from, and our competitors, all in the same room. You need to be in that room." Those were his Father's words when Tim asked why he should join ASHRAE. Please Join us at the Dinner Meeting, we want to show Tim Wentz that Florida West Coast Chapter has strong representation from it's membership!
